<p><i>These are the strategies that you will be working to write into policy.</i></p>	<p><i>Write any <u>current policy</u> you have for each strategy into the corresponding boxes below. Next you will score the strength and implementation of each policy.</i></p>									<p><i>Opportunities, Barriers, Resources Needed, Rank Policies by Priority, etc.</i></p>
<p>Provide healthy choices for snacks and celebrations; limit unhealthy choices.</p>	<p>All foods offered on the school campus will meet or exceed the USDA Smart Snacks in School nutrition standards including through: 1. Celebrations and parties. The SFA will provide a list of healthy party ideas to parents and teachers, including non-food celebration ideas. 2. Classroom snacks brought by parents. 3. Rewards and incentives. Foods and beverages will not be used as a reward, or withheld as punishment for any reason, such as for performance or behavior.</p>	X			X					<p>No changes needed.</p>
<p>Provide water and low fat milk; limit or eliminate sugary beverages.</p>	<p>To promote hydration, free, safe, unflavored drinking water will be available to all students throughout the school day. The SFA will make drinking water available where school meals are served during mealtimes. The SFA is committed to ensuring that all foods and beverages available to students on the school campus* during the school day* support healthy eating. The foods and beverages sold and served outside of the school meal programs (i.e., “competitive” foods and beverages) will meet the USDA Smart Snacks in School nutrition standards, at a minimum.</p>	X			X					<p>No changes needed.</p>

Provide non-food rewards.	Rewards and incentives. Foods and beverages will not be used as a reward, or withheld as punishment for any reason, such as for performance or behavior.	X			X					No changes needed.
Primarily non-food items should be sold through school fundraising activities.	Foods and beverages that meet or exceed the USDA Smart Snacks in Schools nutrition standards may be sold through fundraisers on the school campus* during the school day*. The SFA will make available to parents and teachers a list of healthy fundraising ideas.		X		X					Policy discusses that food will meet or exceed standard but should include primarily non-food items for selling.
Provide opportunities for children to get physical activity every day.	The SFA will provide students with physical education, using an age-appropriate, sequential physical education curriculum consistent with national and state standards for physical education. All students will be provided equal opportunity to participate in physical education classes. The SFA will make appropriate accommodations to allow for equitable participation for all students and will adapt physical education classes and equipment as necessary. Outdoor recess will be offered when weather is feasible for outdoor play. In the event that the school or SFA must conduct indoor recess, teachers and staff will follow the indoor recess guidelines that promote physical activity for students, to the extent practicable.	X			X					No changes needed.
The school demonstrates a commitment to neither deny nor require physical activity as a means of punishment.	Physical activity during the school day (including but not limited to recess, physical activity breaks, or physical education) will not be withheld as punishment for any reason.	X			X					No changes needed.
Limit recreational screen time. (School based screen time)				X						Should look into implementing a school-wide policy.
