

What is Operation Christmas Fisher House?

Operation Christmas Fisher House provides thoughtfully put together Christmas stockings to the families staying at the Fisher House. It gives us a way to bring much needed excitement and Christmas joy to those who are suffering due to injuries from military service, and those that are away from their families during the Holidays because of this.

In the last 4 years that this project has been active, over \$9,500 has been raised and the contents for 323 Christmas stockings have been put together and delivered to the Greater Los Angeles Fisher House, the Walter Reed Fisher House (Bethesda, MD), the Fort Bliss Fisher House (El Paso, TX), and the Washington DC Fisher House. All the stockings are filled with high-quality items and are put together thoughtfully by volunteers.

What is a Fisher House?

A Fisher House provides lodging for families of injured Military and Veterans, free of charge, while the family member is undergoing treatment at the VA hospital. This is a worthy cause, a way of saying thank you to those who fought for our freedom in military service to the United States of America. There are currently 92 Fisher Houses, including two in overseas Europe.

Operation Christmas Fisher House Operation Christmas Fisher House 2023

This year, we aim to provide more directed services to the Fort Belvoir Fisher House. By doing this, we will be able to not only provide a more joyful environment for those staying there, but also meet their financial and essential needs. Our goal is to raise \$5,000.

In order to do this, we need all the support we can get. Please consider donating and spread the word of our mission to others. To find out ways to donate, go to our website:
