INFINITY BATHWARE

Infinity Bathware is an Australian company based in Sydney, NSW. We specialise in sanitary bathware including art basins, vanities, shaving cabinets and bath tubs.

As a direct importer, we continually offer the highest quality products and competitive prices. Our company has a vision to create a private space where you can linger, refresh and indulge.

Whilst our key focus is to not only provide quality products but to establish long term relationships with our clients by providing exceptional customer service, leaving the customer feeling that they have been well taken care of.
