## Biography

**Khi Lo** blends R&B, Hip-Hop, and Sexy Drill into music that cuts through the noise: romantic, bass-heavy, and emotionally real. His sound rejects hookup culture in favor of depth, speaking directly to suburban diaspora kids with immigrant roots and big hearts.

With **over 1 million streams**, Khi Lo has earned **Spotify algorithmic support** (Discover Weekly, This Is Khi Lo), plus co-signs from **Vic Mensa, Johan Lenox, Taylor Gang, and YesJulz**.

His breakout song **“POUR THE DRANK”** with **BIGBABYGUCCI** remains a fan favorite and his biggest song to date, while recent releases **“SLIDE”** and **“ROCK DA BOAT”** draw comparisons to the Toronto R&B wave.

Khi Lo headlined a **sold-out show at Songbyrd Music House in D.C.** with viral rapper Noochie, founder of @frontporchfreestyles, and recently **debuted an EDM remix of “SLIDE” in Toronto** with an underground DJ.

His producer on **“SLIDE”** also crafted the Grammy-nominated **Kehlani x Jordan Adetunji collaboration “KEHLANI”**—that same textured, emotional DNA runs through Khi Lo's work.

Offstage, Khi Lo curates shows across **D.C.** (Pentagon City Mall, smallwoodenbox) and **NYC** (The Delancey, 3NY in SoHo) blending culture, fashion, and community into intimate spaces.

He's proven, plugged-in, and ready to bring real energy as an opener.
