

VOTING INSTRUCTIONS

Do **NOT** close your browser until you are finished.

If you accidentally close it: use another link in an Incognito or private browser window. (I sent you two links), then CALL me so I can delete your previous voting session.

INSTRUCTIONS below, for reference while voting.

Do **NOT** click on the page tabs at the top of the screen.

2. **CLICK THE BUTTON "Follow New Invitation"**

3. **SCROLL DOWN** below the instructions to see all the images.

4. **CLICK THE SLIDER** under the first image and move the slider left or right. LEFT is a lower score, RIGHT is higher. **This activates your session.**

5. On the next screen, **ENTER YOUR NAME** .Click "**Proceed as Guest**"

6. **SCROLL BACK DOWN TO THE IMAGES AGAIN.** You can adjust your vote on the first image.

PROCEED TO VOTE on **ALL** the rest of the images.

THERE ARE TWO VIEWING MODES to vote in.

Try the Gallery mode first, then for the rest, I recommend the Slide Show mode.

GALLERY MODE

That's the page you are first on, with several images. Handy for at-a-glance comparison, initial voting and changing votes later.

TO VOTE: Move the sliders left or right.

TO VIEW THE TITLE: Look in the lower right corner of each image & click on the little letter "i".

To see other info, click "**Show Description**"

To then hide that info on all the images on that page, click on the "X" in the lower right corner of any image and all notes disappear.

2. Recommended: SLIDE SHOW MODE

Has medium, description, size, and you can enlarge the images.

Click on the first image to enlarge it on a black background.

Click below to **PAUSE** or **RESUME** the slide show

ART TITLE is above the image

PLAYBACK SPEED is below the image on the left.

SETTINGS: The following icons are below the image to the right:

- **COMMENT** (if you care to write a note, for example, "This is not in the Highlands).
- **DESCRIPTION** Shows artist comment at the top, in case the artist made a little note about the image). Also view the medium & size
- **FULL SCREEN** enlarges the image. To exit that view, click the blue "X" at the top right of the description panel to the right of the image.

TO EXIT SLIDE SHOW MODE and view and vote on all images in the **GALLERY MODE**:

- Click the blue (barely visible!) **X** on the top right of the screen, at the top of the **DESCRIPTION** window (you might have to click that twice).

WHEN YOU HAVE FINISHED VOTING

Click **Save and Finish** at the bottom.

It will not let you end your session until you've voted on **ALL** images.

Thanks!
