Arizona

County of Maricopa

The undersigned, Scott Blackwell, being duly sworn, hereby deposes and says:

1. **I am over the age of 18** and am a resident of Arizona. I have personal knowledge of the facts herein, and, if called as a witness, could testify completely thereto.
2. **I suffer no legal disabilities** and have personal knowledge of the facts set forth below.
3. **I have been the progenitor and founder of an organization that is made up of a specific fabric of operating units and technologies** that I established a management operation to manage the overall aspects of many layers of minerals and precious metals ores and also bio-available minerals. I am reporting the facts that I have been informed of by Robby Mattson, a business establishment owner and individual that I was informed of; who was holding "Share Unit Certificates" for a Company, known as Western Minerals & Ores Corporation. I was informed that Nolan Thomas Newberry aka Nolan Knight, who had served as a SECRETARY of WESTERN MINERALS & ORES CORPORATION for several years, had organized a gathering of local people through connections that were directly known and entertained by Nolan Knight. The report regarding the gathering that Nolan Knight had organized and utilized to conduct a promotion was conducted solely by Nolan Knight; this activity was unknown to anyone at Western Minerals and Ores Corporation and was only discovered during Easter holiday time 2024. The following paragraphs are background, back drop and contain other specific context, information and concerns that are preemptive to what Primary Protected Eyewitness [disclosed to public safety officers and coded enforcement procedural due process], of which Eye Witness statement here, *has been derived from their recorded transcription*, which is emphasized below, towards the end of this Affidavit of Fact.

factual anti-tort, anti-libel, anti-slander, anti-defamation, anti-hate crimes and other of the layers of criminal acts and actions taken by Nolan Knight and his criminal gang.

Therefore; also this background and backdrop is relevant to providing for certain select authorities, law enforcement agency layers at 'higher-court-services' levels of entry of this data; has been completed; also, that is relevant to this Affidavit of Fact and also relevant to the aftermath of Nolan Knights' long term campaign of violence and related malicious schemes and malfeasance, severely collaterally damaging collusion with other individuals identified who have been in criminal collusion with him and from continued contiguous observation, still are.

Of substantive relevance to this Affidavit of Fact as to it's backdrop and introductory information; It is important to note that I am a severely abused victim of manufactured **TORT for EXTORTION to utilize as a lever to conduct the other Crimes such as the espionage, trespassing, breaking & entry, sabotaging of enterprises, theft and high-jacking of high-net-worth liquidity assets of our organization**, of our families properties, of our clientele assets and certain strategic assets kept in storage vault lockers for long term liquidity positions in macro and bitcoin and other areas such as the real world assets in stable coins, RTFs and in-house interchange which at this time has cost over \$120 Million USD metrics pegged to the US Dollar; all of which us directly related to the tortious interferences, tort crimes and related libel, slander and severe abuses conducted by Nolan Knight and due to those malicious torts, libel, slander, long term hate crime campaigns by identified tort criminals and extortion criminals; other facets of this Affidavit of Fact in EXIBITS and DOSSIERS or ONLINE UPLOADED EVIDENCE; do also cover tort crime abuses that involve the thoughtless and abusive behavior recorded and filed against former clients that became poisoned and corrupted by the well documented perpetration of non-stop abusively criminal violent **TORT CRIMES**.

Therefore, this introductory region of this Affidavit of Fact. That it is important to know by readers of this document, that TORTS and DEFAMMATION and HATE CRIMES were used as malfeasance and unlawful incitement of others corrupted individuals or corrupted licensed professionals; in a vicious long term perpetration of a filthy well documented, tort crime hate campaign, that was and is yet still being unlawfully utilized against me as an excuse to perpetrate the defrauding of my good and proper name and enterprise-commerce platform and related other aspects of the fabric of the mosaic of an organization that became an alternative matrix.

EGGREGIOUS TORTIOUS CRIMINAL ACTIVITY. WIDESPREAD in the Neighborhoods negatively impacted by Nolan Knight and his professional felony scale Thugs and corrupted licensed practitioners and a specific identified especially undesirable and dangerous 'licensed private eye'. The TORTS and the MALFEASANCE related to the TORTS, the Libel, the Slander, the Defamation and Hate Crimes that are attached to the crimes which Nolan Knight and his professional THUGS used were violently and maliciously utilized to perpetrate their crimes and their intention was to conduct a final act of homicide against Scott Blackwell; and although they have not been successful to date of such intention, it has not been a scenario which isn't under the acute awareness of and defense of by Mr. Blackwell and others who are aware of such intentions perpetrated by Nolan Knight and his felony thug accomplices and aiders, abettors and harbingers of this egregious scale of long term perpetrations; therefore the extensiveness of the multi-pronged and technologically supported aspects of the source of this Affidavit of Fact; let it be further known in detail that being Nolan Knight and his gang of Thug felony level accomplices are still operationally active and extremely dangerous; they did/does and are still perpetrating their torts, libel-slander and hate crimes for their own purposes to profit, cause continuous collateral-damages, cause hard, unlawfully incite others against me and my family, friends, organization etc.; in order to continue to rob, steal, cheat, dilute and continue to use the high net worth value of the many

assets that they highjacked which are on our company and operations general ledgers, in profit and loss sheets, in balance sheets and reported for 8 years into the IRS and into the Management aspects of managing the massive volume of insulated and protected assets; this criminal, this thief, this miscreant, this degenerate, this drug addict, this marauding threat to the public safety and peace across our neighborhoods was, is and has been permanently collaterally-damaged, disrupted and pollutes our otherwise very prominent and successful enterprise-commerce operations units and in general these TORT CRIMES which are HATE and DEFRAMMATION CRIMES were also perpetrated by Nolan Knight, who knew better; and who decided to line his own pockets with liquidity capital assets of the operational enterprise commerce and interchange platform that I had architected and built. This particular aspect of the organized criminal torts and defamation crimes that have been perpetrated against me and the organizational matrix that I founded and created, also have been criminally assaulted by 3rd parties not even related to our enterprises who are people that utilized the abusive criminally manufactured torts in a manner that caused them to be removed of any client or customer privilege that at one point, they had; now no longer due to their criminally abusive collusion and tortious interferences from getting involved in the TORT TROLLS; who are also listed in the ledger of criminal individuals that have been reported and blacklisted and are summarily as a result of their participation in torts, libel, slander and hate crimes, became 'persona non grata' and removed from our enterprise-commerce awards *accordingly*.

4. There were other people that were at the gathering that Nolan Knight had organized, who no one at Western Minerals and Ores Corporation even knew of or had ever heard of, who were also connected with Nolan Knight who Nolan Knight had brought into the perimeter of the Company known as Western Minerals and Ores Corporation. One of those connections was Doug Trakes, who Nolan Knight was involved with in different conversations and illegal activities, regarding their endeavors in the North Phoenix neighborhoods and across a broad swatch of other neighborhoods. 12. "I have been an active entrepreneur and business owner in Phoenix, Arizona. I am well established as a business owner and am making a statement regarding an event that was organized by Nolan Newberry who is the individual that came to visit myself and my sister, some other friends. We also knew Doug Trackes who is now deceased. My sister [a local enterprise operator] was talked into hosting a house gathering and Nolan Newberry aka Nolan Knight was there and is the individual that promoted an opportunity to us. He presented and sold us the opportunity. We have never heard from him since the time he came and promoted the opportunity. Some other folks that we know heard that this house gathering had occurred and they wished to speak with me about it. They informed me that they are the original founders and co-founders of the Company which is referred to and known as Western Minerals & Ores Corporation. We were promoted to and that we did an exchange of funds and provided our funds to Nolan Thomas Newberry aka Nolan Knight who knew Doug Trakes and did a "promotional party of Western Minerals & Ores Company" without authorization to engage in that activity where Nolan Knight sold share units using *BLANK* stolen share unit certificates.

13. I hereby attest to these facts of what occurred with Nolan Newberry Knight aka Nolan Knight who promoted the opportunity of those share units but we now find out that he did not have the authority or the permission to do that kind of exchange with us. Nolan Knight provided in exchange for our funds for what he was promoting and in which he provided us with a 'blank share unit certificate'; which were "Capital Stock of Western Minerals and Ores Corporation 'Assets and Precious Metals backed'.

Nolan Knight aka Nolan Thomas Newberry single-handedly set up the gathering and single-handedly promoted the opportunity for this during the time the house gathering at my sister Deby Mattsen' home. The date of this occurred in mid-April of 2020. I believe that it was approximately April 15th through the 20th of April in 2020. Since then, I have not seen or heard from Nolan Knight aka Nolan Thomas Newberry since then. Nolan Knight took \$_specific deposits from myself and our community of people_00 in the form of _funds provided_ and Nolan Knight, while at the house the gathering occurred at' [protected eye witness]' which is a Phoenix homeowner where Nolan Knight; provided us w Western Minerals & Ores Corporation share unit certificates, but he did not sign the certificates. They were blank.

There were absolutely no signatures on the share units that Nolan Knight had obviously stolen from the Company and utilized to represent and unlawfully take funds with. Nolan Knight also did not provide any of the extensive required paperwork to validate the particulars of that type of any exchange. It is now in the first week of June 2024 and I'm responding to a visit with me by an agent of the owners of the mineral ores company. Therefore the above the somewhat extensive dissertation in advance of and as an aside from the Affidavit of Fact bullet points of what [Protected Eye Witness who was taken advantage of by Nolan Knight; criminally promoting and unauthorized representation with sale and provision of 'blank share unit certificates'] from what he had to say here, are drawn from that transcript made of his statements, regarding the criminal acts and activities of Nolan Knight misrepresenting our organization and company operations, while stealing blank share units and conducting unlawful sale of those blank share unit certificates; we have these points of reference also to disclose; in that regard, while working to do so, on the Easter holiday of 2023 as our organization followed up professionally to find out about Nolan Knights' unauthorized, unlawful theft of Company share unit certificates; which he sold to hapless unwitting uninformed individuals, using his antics of deceptive self-promotion and underhanded misrepresentations, this Affidavit of Fact is simultaneously to the statements made by [Protected eye witness and who was promoted to and whereby Nolan Knight took funds from and provided an unauthorized blank share unit certificate"; as we obtained the evidence from him and [protected eye witness and individual that was promoted to and had exchange for "blank share unit certificates" provided by Nolan Knight] that Nolan Knight had conducted a private party to sell share units of the Company via the unauthorized and unlawful manner which he did that, this Affidavit has therefore been provided for the purposes of disclosure of the unsavory violent criminality of Nolan Knight.

Nolan Knight worked overtime to also completely falsify facts and evidence and attempted to make his criminally decrepit torts, the libel, the slander and defamation, to appear real when all Nolan Knight was conveying about Mr. Blackwell were criminally violent manufactured TORTS, libel, slander and defamation crimes to attempt to cover for himself with what he had been doing.

To date, we are observing that Nolan Knight and his closest associate, a vicious pernicious thug; the two of them and others they have directed; this gang of disgusting violent criminals are reported as public safety issue across the neighborhoods and areas they committed these crimes; this Nolan Knight individual; and his gang of thugs continues to run amuck with our highjacked assets.

We professionally attempted to retrieve our highjacked assets while Nolan Knight was highjacking them; we reported these crimes from the very beginning when we discovered that Nolan Knight had highjacked a large substantial volume of liquidity and liquidity assets; which are accounted for and filed within our IRS financial and enterprise reporting books and records archives; we keep our general ledger assets for recovery; this violent criminal Nolan Knight, trespassed on multiple private properties and highjacked our organizations' very high net worth bullion assets and an operating household full of family office heirlooms, Trust properties, company laptops and had purposely attempting to sabotage a long standing company and organizational multi-year accounting and auditing project stating to multiple individuals.

QUOTE BY NOLAN THOMAS NEWBERRY KNIGHT. "Scott will never see the accounting and auditing through" while he ransacked, defrauded vehicle titles, conducted grand theft auto of the Company vehicle motor pool, trespassed on security company property and invaded and highjacked a principal guarantor signatory of company purchased bullion assets, private purchased bullion and rarefied numismatic coins and bars assets and a plethora of other private family office heirlooms, rarefied artifacts & objects, rarefied research, rarefied proprietary proofs of work and multiple roller cases of Mr. Blackwell's extensive proofs of multiple primary works in the fields of research and commodities and private enterprise commerce that Mr. Blackwell is successful in deploying with his work and the organization.
