The primary point is that, because of the **VIOLENT CRIMINAL ATTACKS** on our Spaces, direct criminally decrepit & violent attacks on our People, our Assets and our Proofs of Work and on our entire Community, we experienced extremely heavy losses and extremely horrible collateral damages financially and health and welfare [therefore we file as well for **CATASTROPHIC HARDSHIP**] but not because of only the financial aspects but as well for the **HARM DONE**; our organization wasn't able to participate and engage into due to the egregious nature of the hideous and violent scale of malicious crimes conducted with malfeasance and hatred, stemming from identified perpetrators' own ignorance, greed, jealousy and envy along with their career of felony level violent crimes which they chose to engage into and did so through premeditated and directed violence, all over the fact of our success. These losers; insidious perverted individuals as contained by description individually or collectively are described as **TORTPIG™** **THUGNET™** and individually or collectively are also having been established as a **PUBLIC MENACE** and in the higher-court-justice systems are reported as **PERSONA NON GRATA**.
