 - Paid into FRANKLIN CRIMINAL operations

Affidavit

Arizona
County of Maricopa

The undersigned, CODY WASS, being duly sworn, hereby deposes and says:

1. I am over the age of 18 and am a resident of Arizona. I have personal knowledge of the facts herein, and, if called as a witness, could testify completely thereto.

2. I suffer no legal disabilities and have personal knowledge of the facts set forth below.

3. I was given authority from Scott Blackwell to pick up a bullion portfolio from Morning Star Storage, Locker unit #1140, located at 19400 FL-44 Eustis, Florida 32736.

On 6-3-23 I flew from Phoenix, AZ arriving in Orlando, FL that same evening. I picked up a midsize SUV rental and got a hotel for the night in the Orlando vicinity.

On the morning of 6-4-23 I drove to the Morning Star Storage in Eustis, FL. Arriving late morning I entered into the gated storage facility and parked to locate unit #1140.

I located #1140 and used the key to unlock and opened the roll up storage door. I immediately could see the majority of the contents and thought something did not look right based on what I was expecting.

I quickly scanned through the contents and did not locate any of the primary bullion portfolio I was expecting, besides a sack of old silver half dollar coins.

I then took a quick photo and went outside the storage building, where I had cell service, to contact Scott Blackwell of my findings.

After communicating with Scott what was found I went back to the locker and took more photos and video.

Shortly after I proceeded to load up the contents of the locker into the rental SUV, thoroughly inspecting and taking photos before and after.

Communicating with Scott throughout the entire time the locker was emptied of all contents, closed then locked.

The only contents of the expected bullion portfolio that was located was the sack of old half dollar silver coins and a one gram valcambi platinum bar.

After packing everything up and continued discussion with Scott, I then proceeded to start on the
