MAP Testing

MAP Testing will begin on Monday, September 14, 2026, for students in Grades 3–8. Please encourage your child to do their best and remind them that they do not need to study for this test. MAP Testing adjusts to each student's responses, so they may see questions they do not know the answers to. This is a normal part of the assessment and helps us understand their individual learning needs. Please make sure your child gets a good night's rest and eats a healthy breakfast each morning so they are ready to do their best

Issue Text: Revelation 11:15

"The kingdoms of this world are become the kingdoms of our Lord, and of his Christ; and he shall reign for ever and ever."

Arrivals and Dismissal

Please remember to drop off students at the double doors and not enter the classrooms. This helps keep morning arrival safe and organized.

Please do not leave your vehicle unattended, as others may need to exit the parking area. If you need to enter the school, please park to the left so the main area stays accessible. Please also do not block our neighbors' driveways.

Thank you for helping us be respectful neighbors and keeping the parking area safe and accessible!
