

Why Choose Us?

- We believe in providing and maintaining a safe, drug-free, respectful, disciplined, nurturing, and encouraging environment.
- We believe in encouraging every student to meet their fullest individual potential, reaching beyond what they thought possible.
- We believe in upholding high standards for academics, providing a challenging and enriched curriculum built on a foundation of core knowledge using up-to-date technology.
- We believe in encouraging an ongoing inclusive relationship with our alumni, parents, guardians, and sponsors, which are recognized for their valuable contributions.

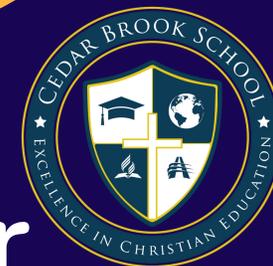

What We Offer

Adventist education is the best way to educate citizen scholars who demonstrate respect, integrity, truthfulness, perseverance, responsibility, caring, courage and problem-solving.

- Core Subjects aligned with MA State Standards
- Agricultural Program
- STEM/Project Based Learning
- Religion Classes
- Faith Building Chapel

Cedar Brook School

Our Program

Mission

Cedar Brook School is committed to the holistic development of students through spiritual nurture, academic excellence and the enhancement of social and physical abilities.

Vision

We endeavor to develop the whole person while preparing each student for post-secondary education, for everyday life, and to become a critical independent thinker who aspires to reflect the character and mission of Jesus Christ in his or her daily life.

Agricultural Program

Learning about agriculture, food and natural resources helps students gain a wide variety of skills including science, math, communications, leadership, management and technology, and most importantly, God's plan and design.

Offering: Preschool - 8th Grade
