Yet to all who did receive him, to those who believed in his name, he gave the right to become children of God. (NLT)

GAME OVER

Week of prayer was October 16 - 20 with Pastor Dave. He talked about Adam and Eve and how they played games with God. The first game he spoke about was 20 Questions. He said that the devil tempted Eve into eating the fruit. The devil only needed to ask Eve one question, and that was, "Did God really say you couldn't eat the fruit from the tree"? Unfortunately Adam and Eve fell into the temptation.

The second game he mentioned was Hot and Cold. When Adam and Eve were hiding from God, they were being too cold, not close with God, and needed to become hot.

The third game was called the Clue game. The point of this game was to find the "murderer" or incident. Adam and Eve had to find out what was right, but in this case they made the wrong choice.

The fourth game was the Marble game. The whole point of the game was to knock out the other opponents' marble. The same way we play marble and knock out the other opponents marble, is the same way Satan wants to knock us out of God's leading. He wants to knock us out so that we could follow him instead of following God. Pastor Dave told us that the big blue marble is our earth that God created for us. Satan is jealous and wants to take us out of the wonderful world God made for us.

In the end, Pastor Dave talked about God's amazing plan to save us from this world. One day, God is going to take us from this world and bring us to our eternal home.

FALL FESTIVAL

The 2023 Fall festival at Cedar Brook school (CBS) was a blast! The CBS family came out on October 15 from 10 am to 2 pm. There were many activities such as face painting, Shark Bite, Giant Jenga, Fat Cats,

Horseback riding, Giant Twister, etc. The 8th graders did their part at the snack bar.

Ms. Maria made pastelitos or empanadas. There were two different kinds, cheese and pizza. Majority of the school loves pizza but many people enjoy cheese. Another snack was Cotton Candy. It was definitely a best seller. The cotton candy line was always long but the children waited patiently. There were three different flavors, grape, strawberry and blue raspberry. Some students, like Ezequiel Barros, even asked for a mixture of all three!

One of the best activities was horseback riding. Mrs Rodriguez (Gabriel Rodriguez's mother) was generous enough to bring her two horses. It was the perfect weather for horseback riding! Many individuals enjoyed themselves with the horses, but others were too scared to ride.

Many former CBS students attended, such as former class president, Mark Fleurilus, and former vice president, Jairine Almedia. They had vibrant personalities and really made the environment very enjoyable to be in.

Without the assistance of the teachers and parents, it would be impossible to manage. Overall Fall Festival was a great experience and our CBS family is looking forward to hosting it again next fall!!!
