Issue No.7 | February 8, 2024

Issue Text: Jeremiah 29: 11

For I know the plans I have for you,' declares the LORD, 'plans to prosper you and not to harm you, plans to give you hope and a future.'

100TH DAY CELEBRATIONS

In January, Cedar Brook School marked the 100th Day of school and Pioneer Day with diverse activities. Some classes engaged in traditional festivities, with students dressing up as their 100-year-old selves or creating vibrant 100th-day t-shirts. Concurrently, other classes immersed themselves in hands-on STEM activities, fostering collaboration, creativity, and exploration.

Meanwhile, the first and second graders aligned their celebrations with the ongoing curriculum by transforming into pioneers for the day. As part of their experience, these students participated in the age-old tradition of making butter, blending history with a memorable and engaging learning experience. The festivities marked a significant milestone in the school year and showcased Cedar Brook School's dedication to fostering a well-rounded and enriching educational environment.

Other Features

“KINDNESSERS”

A group of young men, namely Jeffrey, Peter, Samuel, and Luca, came together with a shared mission to foster kindness, so they formed the "Kindnessers" club. Since its inception, the club has expanded its membership and solidified its identity with a distinctive flag symbolizing their commitment to spreading goodwill.

Song by Luca

We are the Kindnessers, we are the Kindnessers,
We don't listen to sin! We stay on God's side,
We fight for God
When He died on the cross, He proved He was the best
God is the best of all!
Better than gold, bronze, or silver!
God is better than anything, and everyone
We trust Him forever and will never turn away
God lives in heaven, and He will let us in too.
God will never give us up
We never let sin take over our lives
We are the kindnessers! We are the Kindnessers forever!

Quote Written by Peter

"Kindness rocks, but there is only one that rocks it, and it is God. Kindness is great, but you cannot be kind all the time. With God's help, that is what we are trying to do."

STEM SPOTLIGHT

Grade 3 used popsicle sticks to create a variety of items.

4, 5, and 6 raced to create the largest tower using 100 cups.

7 and 8 made prosthetic legs from recyclable items.

Presidents' Day and Winter Break -----February 19 - 23
Teacher In-service (No school) -----March 11
Marking Period Ends -----March 22
Fundraising Banquet -----March 24
4th Marking Period Begins -----March 25
