Introduction

In the daily race of reaching the top in corporate/professional career and a busy schedule, we have really forgotten who we were, our friends and the past school days. Social life nowadays is just limited to office circle and wine & dine only. People can buy the best drinks in the world but do not have the right company of friends. You really can buy Glenfiddich / Ciroc / Grey Goose now but you still will be missing those days when you had White Mischief / Smirnoff / Bagpiper / DSP / McDowell's / Royal Stag with school friends. (Does not necessarily mean that you had these during School Days but may be during your graduation days, along with school friends 😊)

Many of us must have done many "1st time" with our school friends. May be watching movies, going to disc, getting a smoke, getting your first girlfriends or boyfriends, etc. Remembered any of those!!! I still remember buying so many movie tickets for BLACK... Titanic, Kuch Kuch Hota Hai, etc. and getting into Metro Cinema (Kolkata) or New Empire (Kolkata) for a "First Day First Show" bunking school. I used to get Rs. 2 daily as pocket money (way back in late 80s and 90s) and used to walk a mile to and fro school just to save another Rs. 5 so that I could use the money for watching movies. Remember a friend who preponed his birthday to just catch up with a girl and ever since then, there has always been a confusion on dates.

Do you have similar stories / memories?? Bring it up...

Let us all meet up and share our own stories. There are many stories which will never be inked but is always close to our heart.

 - ✓ You need to be a Grade 10 or Grade 12 pass-out from any school (Private / Government / other educational institute) from year 1995 to 2005. You will have to submit your Grade 10 / Grade 12 Passing certificate.
4. Why do you need the Passing Certificate of Grade 10 / Grade 12?
 - ✓ This is for verification purpose. We do not want unwanted guests to be there in the session. This will provide initial screening and ensure that we all connect in best possible way with our friends (old or new).

5. I attend my School's Alumni meet every year. What is the benefit of attending one more and that too, away from School?
- ✓ We do not intend to bring distance between you and your school, but our intention is to provide you platform where you can meet not only friends from your school but your friends from other schools too.
 - ✓ For example, I did my schooling from St. Joseph's College, Kolkata and had friends in St. James School, Frank Anthony Public School, Loreto Day, Welland Gouldsmith School, Calcutta Boys School, or any other schools. Post my schooling, I have never met them in my life but have great memories with them such as bunking school together, watching movies together after school, playing cricket/other sports together, etc. which is long forgotten. We want you to remember those Good Days, Relive and Reconnect to revisit those days.
 - ✓ Along with making you feel Nostalgic, we bring an opportunity for you to network with your own batchmates. This will help you in professional as well as personal life.
