PERSONAL INJURY SPECIALISTS

Anyone who has been injured or lost a loved one due to the negligence of another driver on South African roads can potentially claim compensation from the RAF, regardless of whether they were a driver, passenger, pedestrian, or cyclist at the time of the accident.

The Road Accident Fund (RAF) provides compensation to victims of road accidents for a variety of damages and losses resulting from the accident.

These may include:

Medical expenses, Loss of income, Pain and suffering, Funeral expenses, Loss of support, General damages.

The specific compensation that you can claim from the RAF will depend on the circumstances of the accident and the extent of your injuries or losses.

It's important to speak to a personal injury attorney who specializes in handling road accident fund claims to explain the RAF claim process and help you determine the compensation that you are entitled to.
