About Us

LAURIE HAMILTON. It had been Laurie's vision and desire to bring an event to the Landings benefiting young female tennis players. *"It's important for our young female athletes to have a place where they can showcase their talent and their desire to compete, and to do that with maximum respect for themselves, their opponents, and the game of tennis itself. The Landings is such a place, and in honor of my sister Sara, we'll do it!"* - Laurie

Laurie's family has had a residence since the early 1970's as one of the first to have a summer home in The Landings.

TOM WALLACE. Tennis Director of The Landings Yacht, Golf, & Tennis Club. Tom's knowledge and experience came into play to help organize our schools, the players, and the activities around the tournament. We thank him for his support and the support of the wonderful and very capable tennis staff: Bella, Tyler, Jamie, & Wyatt.

VICKIE RESOR. Bringing ideas to reality. Vickie took Laurie's idea and "made it happen." Having many years of experience as part of the LNTA (Community Tennis Association in Lake Norman, NC), she brought her experience to the table to combine all the elements we needed to succeed; the leadership, the participants, and most importantly the Landings community, to have a wonderful weekend of tennis to showcase The Landings as a Lee County community partner.

My biggest take away was that the girls from Dunbar had the biggest hearts, had great sportsmanship and came to learn more about the game! They stayed until almost the last final to watch, even without a player in either semi's or finals. - *Dunbar Ambassador*

Learning the Dunbar Girls Tennis program is new, some of the Landings residents are providing scholarships for them to attend the Landings Summer Tennis Boot Camp. So far we have 5 girls sponsored and our goal is to have all 9 be able to attend! The Athletic Director is beyond excited for the girls to have this opportunity and Coach Barbara stated she will drive them herself if she needs to! So proud of these young ladies and can't wait to watch them compete next year!

Some of the best tennis we saw over the weekend came from the girls who played for us. Fort Myers High School players were all in TOP form and literally “crushed” that ball, as we would say. Gariella (center left) was the runner up in the Singles category (in her 5th match of the day!), then went on to win the Doubles category with teammate Alexandra (bottom left.)

This is so nice for the girls to have a chance to see how people here are interested in seeing them play tennis. It's a big boost for them. - parent
