

# D.E.L.T.A. Grant Application

Develop & Enhance  
Lee County Tennis Athletes  
"Making a difference"

## 2026 GRANT APPLICATION

### Developing & Enhancing Lee County Tennis Athletes

The DELTA Grant exists to strengthen tennis opportunities across Lee County—with a special emphasis on supporting **young girl athletes**. Thanks to the generosity of The Landings leadership, our sponsors, and the enthusiasm of our community, **2025 was a milestone year**. Together, we awarded **eight (8) grants of \$1,000 each**, for a total of **\$8,000 invested directly into local tennis programs**.

We invite **your school** to apply.

#### GENERAL QUESTIONS

School Name	
-------------	--

Person completing and submitting this application. (Please include title, phone number, and email address.)	

Does your school have a tennis coach? If "yes", please provide their name, contact # and e-mail address. If "no", please provide the same for the person we can be in contact with and their title.	

Does your school have an athletic booster club and does it provide financial support for girls' tennis?	
---	--

**This portion of the Delta Grant application will tell us how your school might use the funds to develop and enhance tennis athletes in Lee County. It is critical that we receive feedback about the intended use if the grant is given.**

Does your school have players that compete in tennis against other schools in school sanctioned matches? (yes or no)	
--	--

Is there any funding from outside sources for girls' tennis that helps develop your school's tennis program? (Please explain)

If granted, how would you use the DELTA grant in school year 2026-2027?

Would you anticipate your girls' tennis program growing with the financial support from the DELTA grant? (yes or no) If no, why & can we help?

What are your most critical needs for the girls in the coming season? Be specific, would it be rackets, balls, clothing, grips, water coolers, ball machine, or other needs.

In your opinion, do you believe the plans for the use of the grants will help to attract more/new females to tennis?

The Lee County Girls' High School Invitational leadership team would like to know how are we doing? Your comments will develop, expand, or enhance tennis opportunities - especially for girls - it aligns with the DELTA mission.

Will the person of this Delta Application pledge to follow-up with the Invitational Leadership Team no later than ___TBD_____ about the use of these funds?	
---	--

Would the girls' tennis program benefit from gently used rackets and clothing?	
--	--

If yes to the previous question, who can we be in touch with to coordinate? (please provide name & phone #)
