

FEBRUARY 15TH & 16TH 2025

PATRON SPONSORSHIP AGREEMENT

The vision for this event is to deliver a premier tennis tournament experience for high school players who may not have had the opportunity to participate in tournament tennis. We aim to highlight our local female athletes and to also emphasize the many benefits team sports bring to young women in our community. A key focus of the event is fostering sportsmanship, helping players develop respect, teamwork, and integrity on and off the court, which is the hallmark of tennis. By investing in our own backyard, we're fostering a spirit of togetherness in a fun, vibrant, and welcoming environment at The Landings, Yacht, Golf, and Tennis Club for the players, their families and residents.

The tournament's primary goal is to provide Delta Grants to area schools, helping enhance their tennis programs. In 2024, five schools received grants, and we're striving to increase that number in 2025. "Providing financial awards to our public schools to grow tennis" is our guiding principle.

To create the best possible experience for players, we depend on the support of our Patron sponsors. The tournament hosts 28 to 32 players, who are joined by their parents, families, and friends, as well as Landings residents and members. This event provides the players with a meaningful opportunity and your donations are greatly appreciated. The Patron sponsors will be listed in the event program.
