

BUSINESS SPONSORSHIP AGREEMENT

Lee County Girls' Hlgh School Invitational

Invitational Dates:

Saturday, February 27 and Sunday, February 28, 2027

The vision for this event is to deliver a premier tennis tournament experience for female high school players who may not have had the opportunity to participate in tournament tennis. The goal is to highlight our local athletes and emphasize the many benefits team sports bring to young women in our community. This event focuses on sportsmanship, with an emphasis of respect, teamwork, and integrity on and off the court and encourages them to play this sport for the rest of their lives. Tennis is said to be the "Worlds Healthiest Sport".

"Providing financial awards to our high schools and it's female students to grow tennis" is our guiding principle. Through DELTA Grants, the tournament has provided more than \$18,000 in grant payments through 2025 and the grant applications for 2026 will be awarded this fall. Eleven area High School tennis programs have benefited by these grants to date. And we are striving to not only increase the grant amounts but also the schools and players that receive them.

To create the best possible experience for players, we depend on the support of our sponsors. The tournament hosted more than 60 players in 2026 who were joined by their parents, families and friends. The event is hosted at the Landings Yacht, Golf, and Tennis Club in Fort Myers, Florida. This active community with more than 1,200 household and outside members provides sponsors with a meaningful opportunity to connect with an engaged audience, while supporting a great cause.
