

**INTERNATIONAL LYCEUM CLUB OF LONDON
ANNUAL GENERAL MEETING
MONDAY 22 APRIL 2024
AT 7PM
AT THE OXFORD AND CAMBRIDGE CLUB**

Dear Members,

According to the Lyceum Club's Constitution, I am writing to give notice of our Annual General Meeting. Please consider this as a formal notice.

The AGM is an important meeting in which Officers of the Club will present the Activities and Financial Reports. This is also an opportunity for members to raise any issues and make relevant suggestions and show their support to the committee members and their appreciation for the work done.

During the meeting, we will officially launch the circles and you will receive a report on the current situation regarding the twinning project with the International Lyceum Club of Paris. Although there will not be any elections (Committee members were elected last year for two years), the membership fees for 2026 will be put to a vote.

Of course, you are warmly invited to stay for wine and canapés, which will be served after the AGM. The evening will also be a wonderful opportunity to enjoy the company of club members and potential members in the magnificent Princess Marie-Louise room of the Oxford and Cambridge Club. I hope that you will be able to attend the meeting and look forward to seeing you there. If you cannot attend the AGM, you will find on the Lyceum Club website a proxy form to be completed and submitted before the meeting.

In Lyceum Friendship,

Lauriane Bradford
President
