**Drug Testing** – After Enrolling, Express Labs does not accept Drug Test Results from other Companies. Members are Required to Order Drug Tests Online or use the Quest Diagnostics Forms that Express Labs provides.

Express Labs has a Minimum of 50% of Drivers Tested for Drugs & 10% for Alcohol yearly.

**Upon Enrolling**, Members can Add Drivers to the Random Pool who have Negative DOT Pre-Employment Drug Test Results and have been in a Random Pool within the Previous 30 Days.

**After Enrolling**, Drivers are Added to the Random Pool when Negative Pre-Employment Drug Test Results are Reported from Express Labs Medical Review Officer (MRO).

**Deactivating Drivers** - DOT Requires Drivers to be Deactivated Immediately who are Terminated, Not Hired or Unable to be Randomly Tested.

**Random Testing** - DOT Requires Owner Operators to Get Tested Immediately when Notified (Once you Know you are Selected). DOT Requires Employers to Notify Drivers within the Selection Period with No Prior Notice - Once Drivers are Notified, they must get Tested Immediately. Immediately means that after Notification, All the Driver's Actions must lead to an Immediate Collection.

**Random Notifications & Selections** – Express Labs Conducts 4 Computerized Quarterly Random Selections which are Emailed & Posted to Member's Accounts. Employers & Owner Operators are Required to Check your Express Labs Account. If you are the Driver Selected be Prepared to Get Tested Immediately.

**FMCSA Clearinghouse** - As of January 6, 2020, Employers & Owner Operators are Required to Register in the FMCSA Clearinghouse and to Designate "Express Labs Consortium" (Melville, NY) as your TPA/Consortium. Express Labs does not Conduct Limited or Full Queries for Employers or Owner Operators.
