

Charlie's Best Bread

1808 Garnet Ave
San Diego, CA 92109
(858) 272-3521

Founded in 1988, Charlie's Best Bread began as a simple storefront in the Bird Rock area before moving to its current location off of Garnet Avenue in Pacific Beach. Famous for attracting customers because they could "smell Charlie's from a mile away", the bakery gained a loyal, local clientele before eventually delivering to grocery stores throughout Southern California. For almost 30 years, we at Charlie's Best Bread continue to satisfy new and loyal customers by our dedication to quality and the craft of baking. We make our bread with a combination of heart and organic ingredients.
