

BRITISH LIONS FOR FREEDOM

Why are we allowing our children to be part of an unsafe untested and dangerous experiment where vaccine companies have no liability?

The mRNA Vaccine is in trial until 2023 and is not safe or approved, it has emergency authorisation only, it is not a vaccine by legal definition, a vaccine by legal definition stops you contracting or spreading a virus, these mRNA Vaccines do neither, they only lessen the symptoms, these mRNA "vaccines" are a gene therapy that programme your RNA cells to produce the spike proteins of a virus (covid19) we do not yet know the long term effects and potential damage caused by these experimental gene therapies although some experts that are being censored believe in the future they could cause auto immune disease and organ failure.

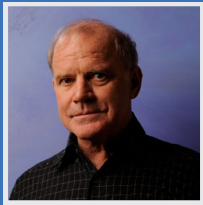

COVID SURVIVAL RATES

Age 0 - 19	99.997%
Age 20 - 49	99.98%
Age 50 - 69	99.5%
Age 70+	94.6%

We've heard about cases and deaths so many times in the media - how many times have you heard the positive rates of survival?

Please visit the UK government yellow card scheme or US VAERS (vaccine adverse events reporting system) for reported deaths and serious adverse reactions caused by these vaccines.

ANYONE CAN TEST POSITIVE FOR PRACTICALLY ANYTHING WITH A PCR TEST

Dr Karry Mullis PHD - Inventor of the PCR test

"RT PCR detects the presence of viral genetic material in a sample but is not able to distinguish whether an infectious virus is present"

The RT PCR test should not be run at more than 25 cycles, they have been running the test at 45 cycles which provides more false positives, the positive cases are what the government are using to spread panic and lockdown the country, shut small businesses, wreck the economy, violate peoples basic human rights and stop family and friends enjoying the usual normalities of life. - Ask yourself why?

BASING THESE DRACONIAN MEASURES ON THESE TESTS IS MEDICAL FRAUD AND MALFEASANCE IN PUBLIC OFFICE

DID YOU KNOW?

On the 19th of march 2020 just days before the government locked us down the WHO downgraded COVID19 to a none HCID (high consequential infectious disease) - <https://www.gov.uk/guidance/high-consequence-infectious-diseases-hcid>

On the governments own website they anticipated that 60-70% of hospitalizations would be from those who received both doses of the vaccine. - <https://www.gov.uk/government/publications/spi-m-o-summary-of-further-modelling-of-easing-restrictions-roadmap-step-2-31-march-2021>

Anyone taking part in a medical experiment which is what these mRNA vaccines are must be given full and informed consent, ie you must be told by the person administering the jab you are taking part in a medical trial, if they do not inform you of this they are in violation of the Nuremberg code which was brought about after WWII when the NAZI's performed medical experiments on people which at the time were all legal.

Did you get the jab yet? did they tell you this?

Under project Veritas, a sting operation, CNN the self proclaimed most trusted news network were caught admitting they deliberately inflated the number of covid deaths for ratings.

The new policing bill being put forward by the government gives police the powers to shut down peaceful protests, this proposal comes after a year where police under the covid act have used force to shut down rallies, arrest organisers and speakers some of whom are highly qualified medical experts and use violence and intimidation against people for simply exercising their right to show lawful dissent against the government. Does this seem more in keeping with a fair and democratic society or a North Korean style dictatorship?

Please visit the world freedom alliance - thousands of doctors worldwide are opposed to the lockdowns and see no necessity for them but instead promote boosting our natural immune system and the use of Vitamin C, D Zinc Hydroxychloroquine and Ivermectin as an effective treatment

Please visit the world doctors alliance - In a talk on reducing CO2 emissions to zero Bill Gates when talking about reducing the global population said "now if we do a really great job on new vaccines healthcare and reproductive services we could lower that by 10 or 15%" incidentally Bill Gates is not a doctor yet he has major influence over our health industry and organisations such as the WHO and CDC due to his huge financial contributions

PANDEMIC OR PLANDEMIC? 10 years ago the Rockefeller Foundation produced a scenario where in the next 10 to 15 years due to a global pandemic all mobility of people and goods screeched to a halt, national leaders from around the world imposed air tight restrictions from the mandatory wearing of face masks to body temp checks. Coincidence? Research Operation Lockstep.

ASK YOURSELVES WHY?

Why has there been so much opposition and censorship by big tech and the mainstream media of the promotion and use of Hydroxychloroquine in successfully treating Covid 19 patients, why are they telling us an anti malaria drug which has been FDA approved and safe for 65 years is dangerous but an experimental vaccine that is not safe or approved and is causing death and serious harm and has emergency authorisation only is "safe and effective"

Why are hospitals receiving financial incentives to sign deaths off as Covid when in fact some people died from other serious complications? In the media's own words they tell you there have been x amount of deaths today within 28 days of a positive Covid test, this does not mean they died from Covid but with it.

Did you know? SAGE who advise the government on enforcing COVID lockdowns and restrictions are using behavioural science to in their own words "increase the level of fear" within the general population, this was recently exposed in a leaked memo by ukcolumn.org and one of SAGE top advisers Susan Michie who is quoted as saying she believes restrictions should remain in place permanently is actually a communist! Why is a supposed democratic government taking advice on keeping us locked down from people who do not support democracy and behavioural psychologists?

KNOW YOUR RIGHTS AND CONSTITUTIONAL/ NATURAL/COMMON LAW

Our basic human rights fall under our Magna Carta and are inalienable (forever) they cannot be taken away, any attempt to do so is leading us to a dictatorship

Our basic human rights are

1. To be able to move freely without hindrance
2. To practice lawful dissent against the government, to assemble and peacefully protest
3. Bodily integrity (no one can force you to wear a mask or take an experimental vaccine as it violates this basic human right. Any employer insisting you wear a mask must provide you with a personal risk assessment on the potential damage to your health caused by wearing a mask.

Despite what the government tell us COVID rules, legislation and mandates are NOT law as they violate our basic human rights and are in direct conflict with natural law which is the law of the land! all these regulations are only law by consent of the governed which is you and me, if you do not wish to adhere to these rules just say NO! you do not consent. The fines issued under the COVID restrictions are not standing up in court if challenged as they are in direct conflict with our constitution. Remember that our rights under the Magna Carta and our constitution are enshrined in law and are there to protect us all, we need to protect them!

POLICE OATH

I do solemnly and sincerely declare and affirm that I will well and truly serve the queen in the office of constable, with fairness, integrity, diligence and impartiality, upholding fundamental human rights and according equal respect to all people, and that I will to the best of my power cause the peace to be kept.

WE MUST PROTECT OUR WAY OF LIFE

many brave men and women, our heroes in the armed forces and others have throughout history made huge sacrifices, sometimes the ultimate sacrifice to provide us with and protect our rights liberty and freedom, do you really want to hand them over to a few self serving billionaire globalists and trust you will ever get them back?

FREEDOM THAT CAN BE TAKEN AWAY AND GIVEN BACK ONLY UNDER CONDITION OF COMPLIANCE OR OBEDIENCE IS NOT REALLY FREEDOM IS IT?

How did we get here?

Remember 3 weeks to flatten the curve? Remember a promise of a return to normal life once our elderly and most vulnerable had been vaccinated? Look where we are now! Facing medical apartheid, coercion, blackmail, discrimination, the abolition of our basic human rights, unlawful vaccine passports, an increase in suicides, the destruction of small and medium size businesses plunging more people into poverty and making them reliant on the state, once people are at the mercy of the state we serve it instead of the state serving us, this is how communism begins.

WHAT IF ITS ALL PART OF A BIGGER AGENDA?

ARE YOU FAMILIAR WITH KLAUS SCHWAB THE HEAD OF THE WORLD ECONOMIC FORUM WHO SAID "you will own nothing and you will be happy" sounds alot like communism to me? Will you be happy owning nothing? Why does Tony Blair a member of the WEF who took us to war on a lie still able to influence the direction of our country and shape our future with no democratic standing.
