

# TRUTH BE TOLD

GIVING A VOICE TO THE INJURED AND BEREAVED

COVILEAKS.CO.UK

**THIS IS A FULL LIST OF MP'S, THEIR CONSTITUENCY, PARTY AND THEIR CONTACT EMAIL.**

**5 remained in the house, including Andrew Bridgen and Respondent Will Quince, out of 650 MP's.**

Those highlighted were present at Andrew Bridgen's debate on the efficacy of mRNA boosters.

Sir Christopher Chope, as many know, is a strong advocate of the covid 'vaccine' injured and bereaved.

Both Rebecca Harris (whip on duty), Trudy Harrison (DEFRA minister) were present – presumably duty bound, but if they are your MP, it may well be worth asking.

The respondent minister Will Quince, MP for Colchester and Minister of State for Health (DHSC) who of course read from a script (as he did not acknowledge any of the data and evidence provided by Andrew Bridgen) that maintained 'safe and effective' narrative.

Every single one of these MP's should receive an email from their constituents to ask them WHY they did not attend. We also recommend sending the full transcript including Andrew's speech: Downloadable PDF Transcript of Debate on Friday 17<sup>th</sup> March can be found [HERE](#).
