QUALIFYING COMPETITIONS

Qualifying Competitions will be held at participating venues during February & March 2024. The six performers with the highest scores will be chosen from every Qualifying Competition to advance to the Semi-finals in April 2024.

Contestants will perform in order on the sign-up sheet. Sign up begins at 8PM or 9PM depending on the Venue and will close at 11PM Sharp. Winners of the Qualifying Competitions will be announced as close to 11:30PM as possible. Winners must be present for further instructions.

Contestants may sign up for a warm-up song and performance song. Warm up & Performance Songs will be sung back-to-back. A contestant is not required to sing a warm-up song.

Contestants may only be signed up for one judged performance at any given time. If a contestant is unhappy with their performance, they may enter again (even on the same night). However, they will be moved to the end of the sign-up sheet until all other contestants have had a single opportunity to compete. The highest scores will override all others.

Contestants must be present when their names are called. If a contestant is absent or fails to respond, they will be skipped and added to the end of the sign-up sheet.

After the winners are announced, Open Karaoke will be available for your enjoyment.
