

Bunny Beanie

Based on Bunny Beanie by Tracy Donnison

Supplies:

Two colors of DK yarn.

US 5 16" circular needles for ribbing

US 7 16" circular needles for body

US 7 DPN for decreasing rounds, optional.

Ribbing

Cast on 120 stitches using US 5 circular needles. Use a stretchy cast-on, such as long-tail cast-on.

Join into a round being careful not to twist.

Rounds 1-14: [K2, p2] 30 times.

Repeat Rounds 1-14 once if you want a fold over band.

Body

Switch to US 7 circular needles.

Follow Bunny knit chart, repeating the chart 3 times—6 bunnies, 120 stitches.

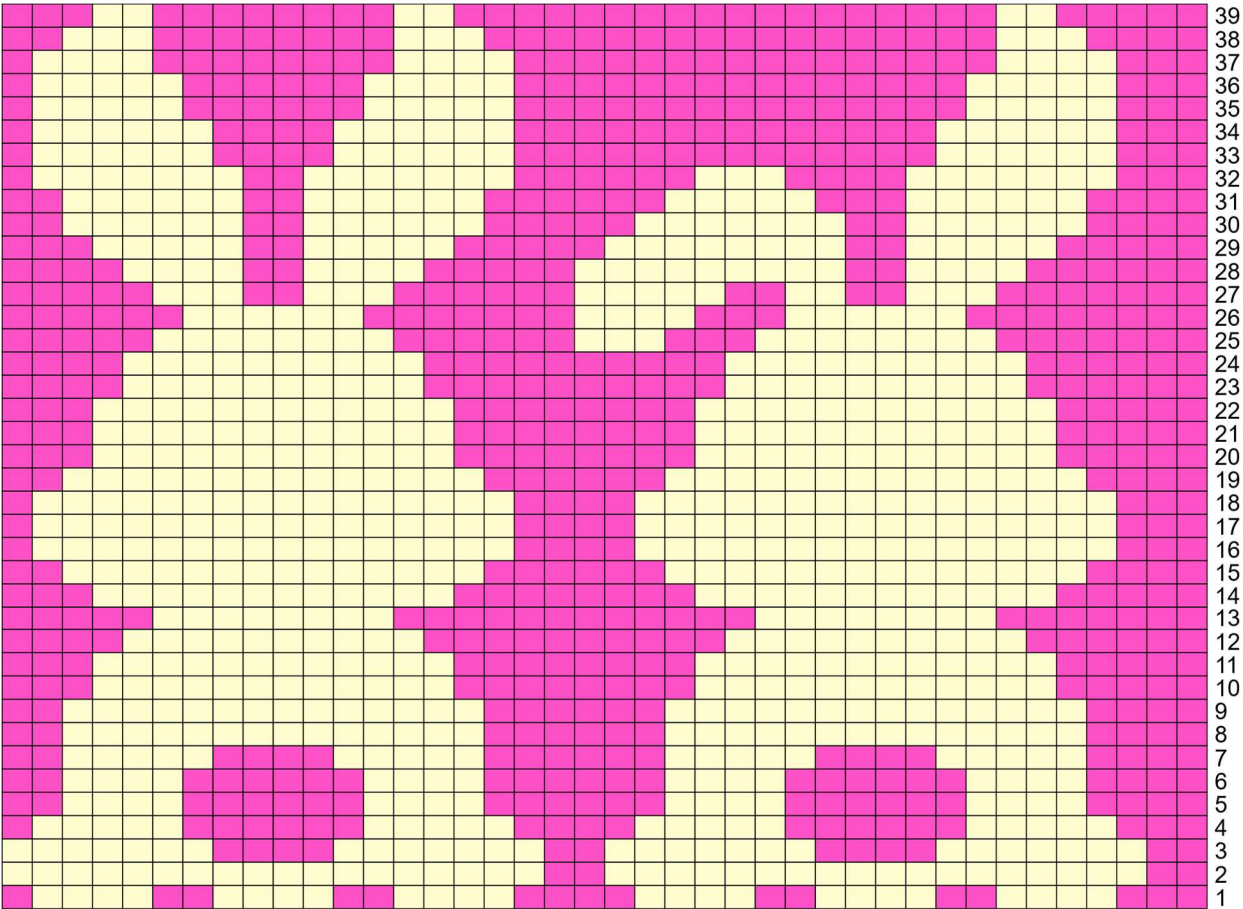

After row 39, follow the Decreasing knit chart, repeating the chart 8 times.

Break yarn, leaving a long tail. Using a tapestry needle, thread tail through remaining stitches and pull tight to close.

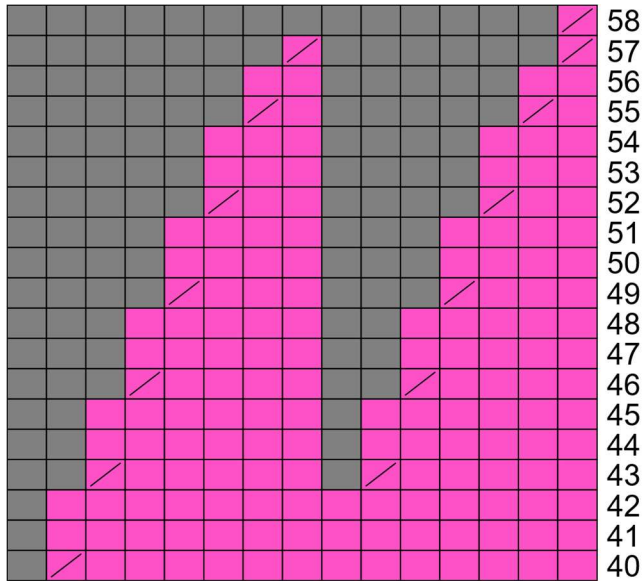

Weave in all ends.

Attach pom pom if desired.
