

Sponge Patterns

Sponge Knit Pattern:

Knit with two strands. One side stockinette and one side seed stitch. Knit in one piece then folded.

Step 0: CO 17 stitches, Leave 8" tail for seaming.

Row 1: Knit

Row 2: Purl

Rows 3-28: Repeat row 1 & 2 14 times, or until your desired size.

Row 31: K1, (P1, K1)* repeat across row

Rows 32-48: Repeat Row 29, or until matches length of stockinette portion.

As you bind off, you will be joining the cast-on edge to the working edge. Fold fabric in half, bringing cast-on next to the working edge.

1. Put right needle knit-wise into first stitch, then put needle through the corresponding cast-on loop. YO. Pull yarn through both stitches.
2. Repeat with next stitch and next cast-on loop. (2 stitches on right needle.) Pass rightmost stitch over other sticth, binding it off.
3. Repeat Step 2 until you have no stitches on the left needle.
4. Cut yarn leaving 8" tail.
5. Use tail to seam the side. Use cast-on tail to seam opposite side. Weave ends up edge.
