FOOD FOR THOUGHT

THEN THERE WAS ONLY ONE MAN WHO THOUGHT HE WAS NAPOLEON: George Bernard Shaw, the famous author, was once asked in what generation he would have preferred to live. The witty Irishman replied: "The age of Napoleon, because then there was only one man who thought he was Napoleon." — What James and John are asking for is nothing less than the power to command the army of Israel. Rabbis and scholars at the time taught that the Messiah when he came would be the new David, King of Israel. He would rule with a mighty sword and vanquish all of Israel's enemies. The disciples were under the same impression.

GREATNESS AT WHAT PRICE: If we look at the enduring examples of greatness, we see that the

Lord is right. Alexander was a remarkable leader because he stood by his men in battle. Albert the Great was an intellectual giant because he disciplined himself to study. Beethoven was a master composer because he struggled long hours to get the right note. Martin Luther was a great reformer because he persisted in spite of opposition. Archbishop Romero was great because he was ready to stand against the corrupt leaders and die for his people. St. Teresa of Calcutta (Mother Teresa) was great because she was able to give up the security of her convent life and open herself to the poorest of the poor. Mahatma Gandhi was great because he worked for freedom for his people and died practicing non-violence as a form of protest. **(Quoted by Fr. Botelho).**

NATIONAL HEALING AND RECONCILIATION FINANCIAL PLEDGE

The Bishops of Canada, as a tangible expression of their commitment to walk with the Indigenous Peoples of this land along the pathway of hope, are making a nation-wide collective financial commitment to support healing and reconciliation initiatives for residential school survivors, their families, and their communities.

With a target of \$30 Million over up to five years this will include initiatives in every region of the country. The commitment will be achieved at the local level, with parishes across Canada being encouraged to participate. The Diocese of Prince George is grateful for the donations that have already been made to this year's Healing and Reconciliation Appeal and any further initiatives by the Diocese will be announced in the future.

2021-2022 DIOCESAN ANNUAL APPEAL AND HEALING AND RECONCILIATION APPEAL

We greatly appreciate the continued support from our donors. We are approaching 50% of our Diocesan Annual Appeal goal and the Healing and Reconciliation Appeal has surpassed \$24,000. Thank you for your continued generosity. The support you provide to our smaller parishes, missions and ministries is important in helping them meet their needs. For many of these communities, the help they receive from the rest of the diocese is a large part of their operating budget – especially in these more challenging times.
