SPA PARTY

A colorful poster for a 'Spa Party Retreat'. At the top, it says 'IT'S SPARTY SEASON' in large, bold letters. Below that, a banner reads 'THE PERFECT BIRTHDAY PARTY SPOT IS HERE'. The main title is 'RETREAT BY DARE TO DREAM YOUNG GIRL'S'. Underneath, it lists 'FACIALS, BOTANICAL MANI &amp; PEDI FOOT THERAPY' and 'INCLUDED: SERVICES, DECORATIONS, CUPCAKES, REFRESHMENTS, FAVORS &amp; MORE'. There are two photos: one of a girl smiling at a party table, and another of three girls in pink spa attire. At the bottom, it says 'INQUIRE &amp; BOOK TODAY @ (850)847-3875', 'www.daretodreamyounggirls.com', and '1839-D S. MONROE STREET, TALLAHASSEE, FLORIDA - 32301'. A small note at the bottom left says 'Made with PosterMyWall.com'.

## JAYLA NICOLE AUSTIN

### FOCUSED, DRIVEN, and DETERMINED

Jayla, is a 14 year old whose future looks bright. She is a well-rounded teen who sings in the choir at St. Peter Primitive Baptist Church. Although she is a member of her church choir and loves to sing, she is pretty shy when it comes to performing in front of others. She is very outgoing, but prefers being in the backdrop until she gets to know you. But, once she opens up, she becomes the bright light in the room. She is the eldest of her two siblings, a sister and a brother.

Jayla's educational focus is college bound. In just a couple of months, she will become a newly enrolled freshman at Lincoln High School. She will be taking a full load of advanced level courses.

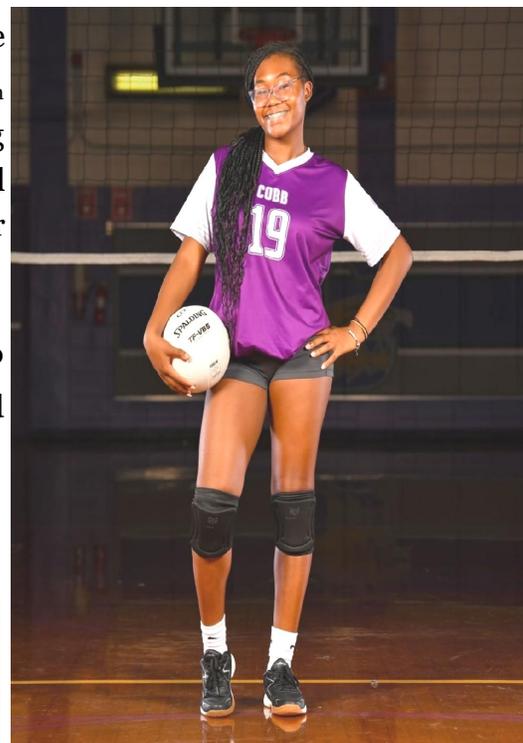

Throughout middle school at The School of Arts and Science (SAS), she participated in several public speaking opportunities, and received honorary awards. In 2024, she won 1st place in an oratorical speaking contest. In 2025 she won 2nd place.

Jayla is very athletic and enjoys playing both softball and volley ball. She has expressed interest to continue playing volleyball while in high school and maybe in college as well. She really enjoys being in the water. She is a really good swimmer.

Jayla has her heart set on going to college. If nothing else, she knows that she wants to help people who can't necessary do for them selves. She is crossed with wanting to become a nurse, or majoring in physical therapy. She desires to become a professional personal trainer or a physical therapist for a professional sports team after completing college.

Jayla is also a continued member at **RETREAT, By Dare to Dream Young Girl's**, serving as a Youth Camp Counselor and Spa Service Hostess.
