FIELDTRIP DUE: FRIDAY, 8/1/25 (CASH ONLY!)

Hello Parents,

(Thank you for viewing our weekly newsletter!)

Year after year, for the past 20 years, I've been blessed to mentor, counsel, and lead over 4,500 girls. That is approximately 225 girls per year, 18-20 per month. All of which have participated either in our seasonal camps, year-round programs, received tutoring services, been counseled, or worked within their respective schools. I've had the pleasure of working with them individually or in a group setting.

As I move through our 20th seasonal Summer Camp, working with yet another group of amazing young girls, I ask the following questions:

1. What was your **PURPOSE** for enrolling your daughter into the Dare to Dream Young Girls Summer camp program?
2. What, if any, **IMPACT** that you can see was made upon your daughter?
3. Were there any specific **RESULTS** you were looking for from your daughter's camp participation?
4. Was there anything you were **UNSATISFIED** about in your expectations? (If so, please give your feedback in a detailed email.)

RE: dream@daretodreamyounggirls.com

Although our summer camp is drawing near to the end, we ask that you continue to support our ongoing programs. Allowing your daughter to continue to be enriched, empowered, and stay connected with her bonded sisterhood, continuing to receive strong mentorship, and blossom.

~ WEEK #8 RECAP~

It was in **"Gardening"** that your daughter(s) learned a lot, did a lot!

~ OUR GIRL TALKS ~

- Who's **READY** for Back-to-School?
- What Does It Mean to Respect Others
- No Choice But to Listen and Be Told (You're A Child)
