

Silex EdTech AOP-PC

All-in-One interactive projector and PC

Silex EdTech AOP-PC is more than just a projector. Combining ultra-short throw projection functions with an integrated PC, an interactive whiteboard, and a built-in speaker, this portable device allows a high level of integration with existing visual collaboration platforms. With only one cable to connect, the installation of Silex EdTech AOP-PC is easy and intuitive. Designed for interactive education, meeting rooms, and group entertainment, this device can be operated without the use of a laptop if needed.
