

# INDONESIAN WORKERS ART & CULTURAL EXHIBITION

INDONESIAN TRADITIONAL DANCE | MUSIC | SONGS | BOOK LAUNCH | POEMS  
TRADITIONAL AND MODERN DRAMA

Hong Kong is home to over 158,000 Indonesians. Art and culture play a very important part in life in Indonesia and although most migrant workers here are busy during the working week many of them devote spare time to creative activities such as handicrafts, dance, music, singing, writing poetry and performing traditional dramas with gamelan music. Modern dance and music also popular among a number of the many Indonesian clubs in Hong Kong. We hope you enjoy this event, which is our second exhibition; please see overleaf for details of handicraft exhibitors.

TCKLC is a charity founded by Indonesian migrant workers in Hong Kong to serve fellow migrant workers, mostly female domestic workers. TCK Learning Centre for Migrant Workers focuses on offering non-profit educational services to Indonesian migrant workers in Hong Kong, primarily in English language, computer, vocational and entrepreneurship skills and know-how.
