Dear Team:

It is with great enthusiasm that I would like to introduce to some and present to others Mr. Kevin Scott as the newest addition to the JHN Collaborative! Mr. Scott is a decorated Marine Corps Veteran of the Persian Gulf War. Academically, he has a Bachelor of Science (Magna Cum Laude) and a Master of Science both in the discipline of Criminal Justice from, North Carolina Central University, in Durham, NC. Currently, Kevin is a Doctoral Student of Education at Liberty University in Lynchburg, VA.

Kevin will join us as Consultant of Veteran/Justice Rehabilitation Services, where he brings extensive knowledge and experience with the Department of Veteran Affairs, Detroit, Michigan John D. Dingell Medical Center in disciplines such as: *Justice Involved Persons, Traumatic Combat Experience, Chronic Substance Abuse, Long-term Homelessness, Suicide and Mental Wellness Recovery.*

In addition to his work with the VA, Kevin volunteers as a mentor in Veteran Treatment Court and serves as a Mental Health Ambassador in metro Detroit. He is a published author and has appeared on local TV, radio, and numerous Veteran Town Halls. In 2020, he was featured in Who's Who as a *Humanitarian* for his work with Veterans and was presented with a *National Service Coin* from former VA Secretary Robert Wilkie. His pedagogical applications of various theoretical modalities such as: ecological conceptualization, hierarchical model, behavior settings, system change, complexity theory, and emergent processes have afforded him National recognition where he will be presenting at the National Conference of Correctional Healthcare Professionals in April of 2021.

This is a great addition to our phenomenal staff. I personally implore all of you to assist me with welcoming Kevin and making him feel right at home as the newest member to the JHN team!
