

SCHOOL OF MEDICINE

June 13, 2019

Dear Mr Scott,

On behalf of the Population, Patient, Physician and Professionalism Course at the Wayne State University School of Medicine, I would like to thank you for your participation in our Veteran's Health Panel. Your contribution was invaluable to the students (medical/occupational therapy/physician assistants), admired by our faculty and very much appreciated by our course.

We hope that you enjoyed your time with us. With your assistance, these students will provide better informed care to veterans in the near future.

Thank you for your service,

Nakia V. Allen, MD, FAAP

Clinical Associate Professor, Department of Pediatrics  
Population, Patient, Physician and Professionalism Course
