

SUPPORT OUR CAUSE

The hunt is free, though a small donation to our suspended program is appreciated. This program allows folks to claim items that have been paid ahead. Recipients may have forgotten their wallet, or it's the only sustenance they'll receive that day, or they may look like they need a reminder that goodness still exists. The best way to support the suspended program is by becoming a patron! You can do so by visiting patreon.com/communitygrounds. Monthly pledges begin at \$5/month, and all pledge levels directly support our suspended program.

If you use any of these one time options, please put "suspend love" in the comments.
