MARK'S  
ATTACK

EXTREME EDITION

ARE YOU READY TO PARTY  
**OVER 6000M ALTITUDE**  
AND BREAK A  
**GUINNESS WORLD RECORD**

MUSIC BY MARK URSA

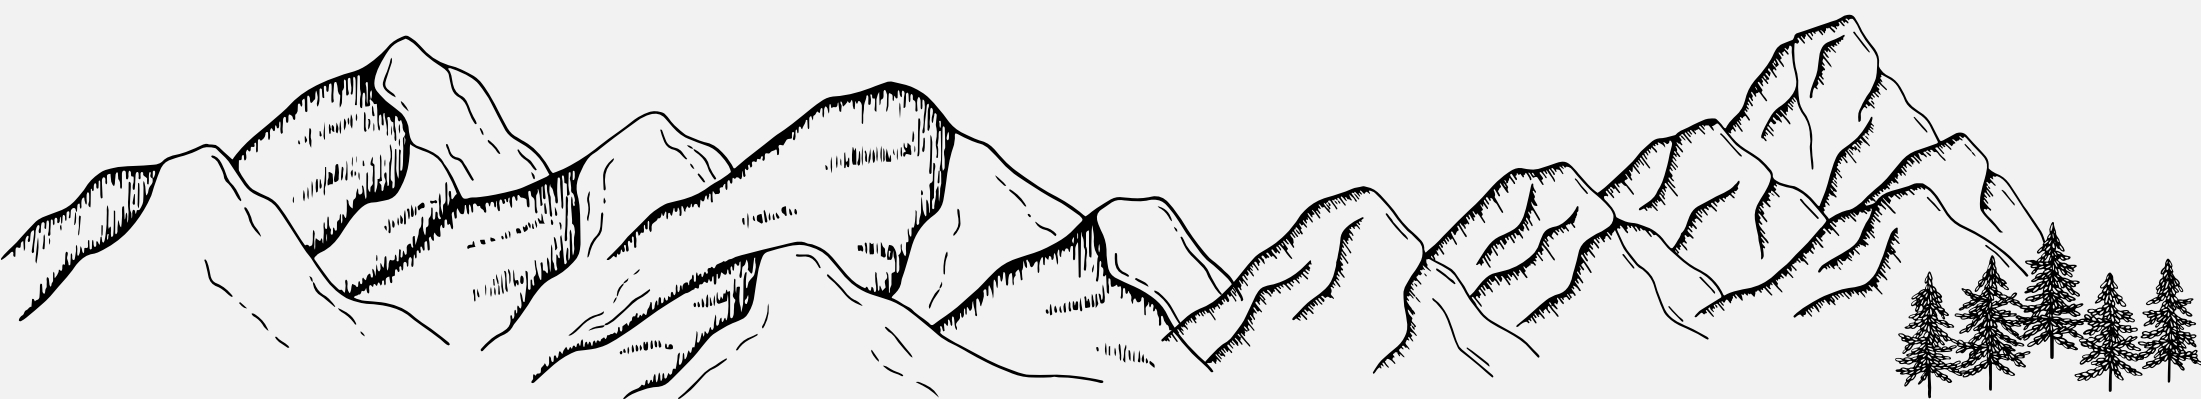

## Mark Ursa presents Mark's Attack Extreme Edition, a party at over 6000 meters altitude.

This is an unique clubbing experience,  
something you have to do once in your life.

This experience is also **a Guinness World Record**,  
which will be engraved not only in the book  
but also in everyone's memories.

## WHEN AND WHERE?

Date: 11-14 November, 2023

City Start point: La Paz (Bolivia)

SUMMIT: **A 6000-METRES** SUMMIT THAT WILL INITIALLY BE REVEALED ONLY TO PARTICIPANTS.

## Welcome to our basic package for the exciting mountain adventure!

If you're up for it, you have the option to arrive a few days in advance to acclimatise to the altitude and enjoy some pre-climb activities.

We highly recommend spending 3-5 days in the highlands, engaging in light physical activities to acclimatize properly.

Rest assured, our team will be there 9 days prior to the climb to handle all logistics and assist participants who choose to arrive earlier.

**This mountain is an easy climb situated on the Chile-Bolivia border, promising a memorable event for all!**
