1. Using This Handbook & Enforcement

1.1 Board Determinations | Reference

Asterisk (*): Indicates a consequence to be determined by the Board of Directors.

Fines: Unless a specific fine is listed, the Board of Directors will determine the fine.

The Board of Directors determines orders to vacate, bans, and removal based on the severity of the offense.

1.2 Meaning of Penalties | Reference

Order to vacate: The person must leave MVOA property immediately.

Ban: Permanent exclusion from MVOA property; the person may not return.

Loss of privileges: Temporary suspension of the specified activity or facility privileges.

Exclusion for a stated period: The person may not enter or remain on MVOA property during that period.

1.3 Formal Complaints | Reference

Safety concerns: If an incident presents an apparent risk to people or property, report it immediately to MVOA staff or the Board, then submit an incident report.

Other concerns: Submit a formal complaint using the Formal Complaint Submission form in the MVOA Members App. The Board may discuss a complaint for up to 48 hours after receiving it.

Board email: mvoaboardofdirectors@gmail.com

2. Membership, Deeds & Payments

2.1 Membership Application Process | Policy

Anyone acquiring a deed from another member or directly from MVOA must submit a membership application for approval.

Reapplication: An applicant whose application is denied must wait one year before reapplying, subject to the permanent-denial provisions below.

Denial criteria within the prior 10 years:

- Filing for bankruptcy.
- Conviction for theft.
- Default on rent payments.
- Vandalism.

Permanent-denial criteria: Prior MVOA balances referred to collections or a history of child endangerment are grounds for permanent denial, regardless of when they occurred. A prior MVOA balance paid in full before referral to collections does not disqualify an applicant under the collections criterion. All other application requirements still apply.

Vote / approval: May 18, 2024

2.2 Membership Application Requirements | Rule

Prior approval: The Board must approve a proposed transfer to a new deed owner before the transfer occurs.

Documentation: Submit a membership application and provide a valid government-issued identification document to the Board for consideration.

Review: The Board will check the applicant's MVOA history before approving the deed transfer.

Vote / approval: May 5, 2024

2.3 Minimum Age for Deed Ownership | Policy

A person must be at least 21 years old to hold a deed.

Vote / approval: April 18, 2026

2.4 Deed Transfers & Upgrades | Policy

MVOA-owned deed: When a member upgrades to a deed owned by MVOA, MVOA will assume the existing deed if the member has no outstanding account balance on the transfer date. Examples include C to B, B to A, or A to an exclusive site.

Member-owned deed: For a member-to-member transfer, both the seller (grantor) and buyer (grantee) must have no outstanding account balance on the sale date.

Buyer documentation: Submit a Member Application, Acknowledgment of Deed Ownership, Non-Occupancy Agreement, and Acknowledgment of MVOA Rules & Policies.

Multiple deeds: The buyer is responsible for dues on both the original and newly acquired deeds. MVOA will assume the original deed only in the event of the member's death, a documented medical illness, or prior Board approval.

Final approval: A transfer or upgrade remains pending until all required documents are submitted and signed, documents requiring notarization are notarized, applicable payments are received, and Board approval is granted.

Document fee: \$75 per deed for every transfer.

Vote / approval: August 16, 2025

2.5 Quitclaim & MVOA Deed Procedures | Policy

Deeds may not be quitclaimed to MVOA. Deed transfers must be processed through MVOA.
