### Recreational Music Making for Senior Adults Music and Movement for Healthy Living

Thursdays 11:00 – 11:45

Cost \$50.00

Physical activity, including music making, is energizing and good for the brain, the body, and the soul. Spend 45 minutes with friends in simple music and guided movement activities designed to gently stimulate the vestibular system of the body to enhance balance, posture, coordination, listening, and memory. Activities will be low-impact and appropriate for representative ages within the group. No musical experience is required.
