

Cedar Park friends and neighbors,

For the **safety of all swimmers and liability of the club**, we must be diligent about the following **RULES** at the pool.

1. When you **ENTER** the pool gate, immediately use your **KEY to lock the gate**. When you **EXIT** the pool gate, immediately use your **KEY to lock the gate**. **NEVER** leave the gate **KEY UNLOCKED**.
2. **Do NOT unlock the gate for anyone** other than members of your family. Non-members have been entering the pool by saying they forgot their key.
3. Sign in the **SIGN IN** book. Please **list all family members** who are with you. We've added a column for the **time you arrive**. Please also list the **names of your guests**.
4. If you **break something** at the pool—rope, tiles, chairs, etc., or if there is a bathroom issue please **call 404-936-4241** and leave a message concerning what happened. If a **chair** is broken, please move it over by the shed so nobody will sit in it. Place broken **tiles** on the table by the phone.
5. **Do not** leave anything in the **water** when you leave the pool. Return all **inflatables**, rings, balls, etc. to the storage area by the fence. Line up **furniture** and tuck in chairs.
6. The Cedar Park Pool is a **NO SMOKING** facility. **NO GLASS** is permitted at the pool or on the pool deck.
7. Be considerate of the three **homeowners across from the pool**. **Do not park your vehicle across from their driveways**. Please do not park in the grass or on the street across from the driveways. Use the designated parking by the tennis courts.
