

JILLY'S

Puff & Fluff Grooming

SENIOR or SPECIAL MEDICAL CONDITIONS RELEASE FORM

Because Jilly's Puff and Fluff Grooming LLC cares about your pet's safety and well-being, I want to assure you that every effort will be made to make your senior pet's visit as pleasant as possible.

Due to the process of grooming, senior pets or pets with medical conditions, may become additionally physically and mentally stressed. This may cause latent, unknown, active/inactive conditions such as arthritis, bone, joint or surgical sites to become active or inflamed and unknown active/inactive heart, kidney or liver disorders to become active and can result in illness, seizures or the death of the pet. Although Jilly's Puff and Fluff Grooming LLC will take responsible care in the grooming process, the pet owner acknowledges that the stress of grooming may initiate immediate or delayed reactions and will not hold Jilly's Puff and Fluff Grooming LLC accountable.

If Jilly's Puff and Fluff Grooming LLC feels it is in the best interest of your pet to attain immediate veterinary attention and the pet owner is not on-site, immediate care will be sought out for your animal.

By signing this contract, I am giving my consent for Jilly's Puff and Fluff Grooming LLC to take my animal to the veterinarian if in the opinion of the groomer, it becomes necessary and that I, as the owner of the pet, agree to pay for any and all medical conditions.

I acknowledge my pet shall receive the best care while in the custody of Jilly's Puff and Fluff Grooming LLC. It has been explained to me that safety is the most important priority.

I accept the risks involved and agree to hold Jilly's Puff and Fluff Grooming LLC harmless for any injury or illness to my dog while in the custody of Jilly's Puff and Fluff Grooming. In the event of a liability, I understand that Jilly's Puff and Fluff Grooming LLC liability shall be limited to the actual provable damages and shall in no case include punitive and/or consequential damages.
