We are totally dedicated to planning your wedding seven days a week, twenty-four hours a day, Spring, Summer, Autumn and Winter and will always take care of you, renowned for our 'Above and Beyond' approach, testament from past and current clients and our outstanding reviews! Choosing a planner is like looking for a new best friend ! Not only a MUST to be organised and meticulous with detail for planning, but to be creative, a good listener, wonderful negotiator and without question, professional BUT also someone you can trust, someone you can talk too and most of all someone who will work as hard as you would for a perfect day ! At Marry Me Cyprus we do just that ! Having built a wonderful relationship with some brilliant suppliers, not only that are among the best on the island but alike with some incredible prices let me help you take the worry out of 'where to start' .

Working independently I am not 'tied' to recommending one venue over another so we can book a venue of your choice, put together an array of venues suited to your enquiries or detail our extensive list of venues with links for you to 'view' including some hidden gems that you may not have found !

We always welcome you to visit Cyprus for a few days before you finalise which venue and put together a planning itinerary to include everything you may need, to meet with the suppliers, to choose the 'finishing touches' and to sample the delicious food for your day topped by Wedding Cake Tasting! Whilst some people may not get this opportunity, rest assured with modern technology we can Skype and FaceTime and visit venues on your behalf without compromising any choices and decisions.

Whether you only need our expertise and professional assistance to book your venue and assistance with the Town Hall detailed with formal confirmation of your wedding or a fully managed service from start to finish to piece together your dream day, Marry Me Cyprus would LOVE to help you.

With love from the Team at Marry Me Cyprus Ltd xxx
