

REAL ESTATE GUIDELINES FOR INVESTING IN YOUR FINANCIAL FUTURE

GUIDELINES FOR INVESTING IN YOUR FINANCIAL FUTURE. 20% OF USA HOMES OWNED ARE OWNED BY NON-OWNER-OCCUPIED HOMES.

1. Set Clear Financial Goals.

2. Educate Yourself And Build Up A Team Of Reliable People To Help You.

3. Research Your Aim Is To Buy The Right Property, At The Right Times, At The Right Price.

4. Choose Each Property Wisely. Fall In Love With The Numbers, Not The Property.

5. Choose The Right Type Of Finance To Suit Your Circumstances And Consider Using Equity From Other Properties.

6. Take A Long-Term View Of Your Investments And Don't Over-Commit Yourself Too Early.

7. Choose An A Grade Property Manager. Look For Experience, Credentials, Testimonials, And References.

8. Optimize Your Portfolio. Regularly Review Rents And Interest Rates And Always Claim The Available Depreciation And Tax Deductions.

9. Track Your Portfolio's Performance. Always Know Your Numbers So You Can Reinvest At The Right Time.
