JUNE 4: FEATURED A POSITIVE SIDE OF THE PANDEMIC

At the June 4 online Rotary Club meeting, Nick Sena of Inspira Health talked about "The Positive Side of the Pandemic: How the Community is Supporting Local Health Care". He presented statistics that reflected many donations to the healthcare

provider and its employees to support them and thank them during the fight to help those sick with Covid-19. He said that the heartwarming ways the community has stepped forward to support our heroes are encouraging and gratifying.
