On April 4, 2019, the Bridgeton Rotary Club President Debbi Greenberg provided information on the status of the Club's community service projects.

- Plantings at the Cohanzick Zoo in Bridgeton. This project offers a great opportunity to dovetail with the joint project with the Bridgeton Chamber of Commerce in the Bridgeton Park - the walking bridge project. We will use a grant from Rotary District 7505, funds from our Club, other donations and volunteer labor to purchase and plant, trees, shrubs and flowers, native to South Jersey, throughout Cohanzick Zoo.
- The bridge project still needs donations from club reach the goal of \$20,000 needed for the bridges. Donors can donate and claim a spot on the sign board that will be placed at the foot of the bridge noting all of the people and groups who made the bridge possible.
