Sept. 19, 2019: Club Meeting at Piney Point in Bridgeton Park for a Celebration Marking Completion of Bridge Project

Thanks to Rotary and the Chamber, Bruce Riley and many volunteers and donors, news pedestrian bridges now cross Barretts Run in Bridgeton City Park, connecting the walking paths and connecting Bridgeton to Hopewell.

The Bridgeton Rotary Club meeting on Thurs., Sept. 19, 12:10 at Piney Point in Bridgeton City Park is a combined meeting with Bridgeton Area Chamber of Commerce. It is an opportunity for the two organizations which led fundraising for the bridge project to celebrate the completion of the project. Bruce Riley, who led this project, will recognize some of the volunteers who helped with the project over many months. Carolyn Heckman reports that the Club and Chamber are getting close to the \$25,000 fundraising goal. Donations are still needed.

about charter schools and pointed out the success of Compass Academy in Vineland. Based on NJ State rankings of schools, the public charter school, which uses the Let Me Learn educational approach, scored above state averages and outranked its charter school competition in its Vineland and Millville service area. Joel said the school was ranked as the best school in Cumberland County. Children may attend from any community, not just Millville or Vineland. For information, 856-899-5570 or www.compassacs.org.
