How food companies, restaurants and retailers are working with farmers to improve the sustainability of U.S. agriculture

Join fellow Rotarians in a zoom online meeting on July 23 at noon. Rod Snyder will be our speaker. He has served as president of Field to Market since March 2014. Prior to this role, Rod held positions as Public Policy Director for the National Corn Growers Association and Government Affairs Leader for CropLife America. Field to Market: The Alliance for Sustainable Agriculture brings together a diverse group of grower organizations; agribusinesses; food, beverage, apparel, restaurant and retail companies; conservation groups; universities; and public sector partners to define, measure and advance the sustainability of food, fiber and fuel production in the United States.

JULY 16: CLUB ASSEMBLY VIA ZOOM

Rotarians met in a zoom online meeting on July 16 at noon. President Mark Wiley led our first-ever club assembly using zoom.

Past Pres. Anna Shimp zoomed in from Florida.

Club Committees who met ahead of this meeting, reported on their plans to help the club achieve its goals. Many new ideas were discussed, and the board and committees will consider them.
