## AUG. 6: ZOOM Meeting with Paul Halley

Club Director Paul Halley talked about AMAC (Association of Mature American Citizens) – The Conservative Alternative. Paul Halley is the South Jersey representative for AMAC. He would not say the name of the competing organization – AARP – which he characterized as an organization that promotes socialism / communism and he mentioned that our public schools also do that. He promoted the many benefits of belonging to AMAC, including discounts, free information, and advice, and offering a Christian-based, conservative alternative to that other organization that older people often join. For more information, see Paul Halley.
