

**2024**

“ALL RIDES START AT THE SCF WOODSHOP PARKING LOT”.

“All rides will have a set leader there and back”.  
All is subject to change based on weather or other situations out of our control.

**As always schedule could change on short notice.**

**Saturday, Nov 23<sup>rd</sup>**  
**9:00am Departure**

On this week's ride, we were blessed to have five of our spouses join us for the trip through Buckeye, and a wonderful lunch. A good time was had by all, and I hope we can continue with this trend.

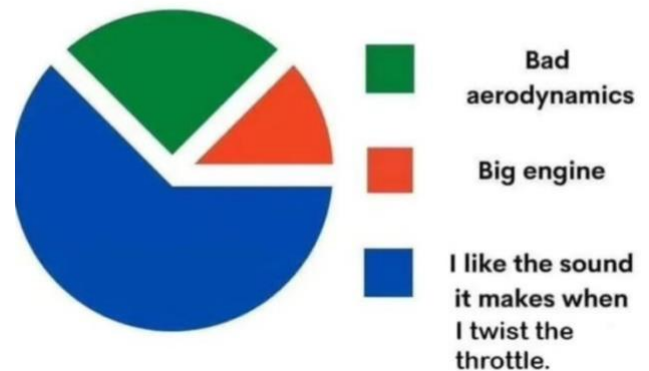

Our **next ride on SATURDAY the 23rd**, you would think that even more significant others will be joining us. An added bonus was the good behavior exhibited by all.

So I once again invite all of our copilots to come along on our **212 mile ride to Salome, Congress (AZ, not Washington), and the DQ in Wickenburg**. It's Forecast to be a **beautiful day**, including lunch at a restaurant, a dessert stop, and time spent with **the best club in SCF**. We will be traveling through open areas, on **easy and safe scenic roads**. **We may need to watch for cows.**

As always, we will be making a rest and gas stop about once every hour. However, we do ask that you have a full tank upon departure. We are **leaving at 9:00 a.m.**

## Why my Harley gets poor fuel mileage:

Remember to check our website <http://mysteryridersclub.com> for photos of past rides, and news about our club.

We wish Mike Black well, as he recovers from getting rear ended in his car.

Larry and Juanita Laney are retiring from the biker lifestyle, and will be selling their 2019 Triglide Harley. Contact them if interested.

Barb Pettit is also selling her Can Am, and a friend's Goldwing Trike.

Annual dues will be collected by Tom Samuels for 2025 soon.

We have 2 club flags available for sale. 12" tall x 18" long. One is for a pole mount, and the other has grommets for attaching. Joe Dyer and Tom Samuels have them on their vehicles.

Money goes to the club, \$20 each.

Sincerely,

Paul (and Sandi) Peterson
