Join Us as a First-Time Sponsor *(and help us finally earn some sunshine)!*

Dear [Sponsor Name / Business Name],

On behalf of the Fleetville Volunteer Fire Company, we'd like to invite **[Business Name]** to become a sponsor of one of our area's most anticipated community traditions — the **Fleetville Fall Fair**.

And just so you know what you're signing up for: this is the **7th Annual** event, which means we've proven we can run a great fair ... even when the weather has been determined to test our character. In fact, after **three straight years of rain** (including one that felt suspiciously close to **biblical flooding**), we're confidently declaring: **2026 is our year for great weather.** 😊

**We're thrilled to invite you to sponsor the 7th Annual Fleetville Fall Fair
Saturday, September 12, 2026 • 10:00 AM – 6:00 PM**

Each year, the Fleetville Fall Fair brings together families, friends, and neighbors from Fleetville and surrounding areas for a full day of food, vendors, entertainment, kids' activities, and community pride. It has become our biggest community event of the year — drawing thousands of attendees. But just as important: **The Fleetville Fall Fair is our largest fundraiser of the year**, and sponsorships cover the operating costs that make the entire event possible — from entertainment and promotions to rentals, logistics, and safety needs. When you sponsor the Fall Fair, you're not just advertising your business — you're investing in the safety and strength of the community you serve.

Supporting the Fire Company = Supporting the Community

Volunteer fire companies don't just fight fires. We respond to:

- vehicle accidents
- road closures and hazardous conditions
- medical emergencies (and we've expanded this capability with members trained as EMTs)
- downed trees and wires
- storm events, flooding, and emergencies

Having a strong local fire company means: better protection for families & property, improved community resilience, and yes — it helps keep home insurance rates down, because local coverage matters.

And the truth is: when our pager goes off, it's not "someone else." It's your neighbors. Your friends. Your community. Our members include township leadership, coaches, teachers, homemakers, business owners, and volunteers involved with other community organizations — all coming together with one goal: be there when people need help most.

We offer a variety of sponsorship levels to fit different budgets and goals, all of which include event signage, recognition online, and strong visibility with a large hometown crowd. We would be honored to welcome **[Business Name]** as a first-time sponsor and partner with you to make the 2026 Fleetville Fall Fair a success.

Thank you for your consideration — and we hope to see you there (in the sunshine, because we are simply manifesting that at this point).
