CUSTOM ART GUIDELINES

To begin development of custom art and graphic applications, send an email to art@ashworth-golf.com

Please include the following information:

- 1.** Contact information including account number, email and cell phone
- 2.** Any applicable VECTOR artwork.

Approved file types include AI (Adobe Illustrator), EPS (Encapsulated PostScript), PDF (Portable Document Format), and SVG (Scalable Vector Graphics). JPG and PNG files are not vector files and have not been approved. Not all PDFs are vector files. PDF must include vector elements. A PDF made from a JPG or PNG file is still not a Vector File

- 3.** A brief outline of what you want to achieve (size, location, materials, application, etc)

A member of our graphics team will confirm receipt of your email and schedule a call to review the documentation. Depending on the complexity of the art request, our graphic team will return a portfolio of options for your review in 10 to 15 business days.

Additional Notes:

- One round of revisions is included in the design fee.
- Once a final approval of the art is given, our team will confirm the lead time for the graphic and application
