Choice

Scarborough

Supported learning programmes for young people with learning difficulties, disabilities and autism.

Supporting Choice deliver a range of programmes that look to give you the experience, qualities and develop your skills, to put you in a great position to start a job.

Supporting Choice is based at The Street with work placements based on and off site with a range of existing providers, in Scarborough, Whitby and Ryedale.

Your work placement experiences will help you to complete an employability qualification matched to your career goals. This is alongside ongoing development of the key Maths and English skills that employers look for.

Our team work with you to develop your C.V. and career plan and source exciting work placements that match your interests and aspirations.

If we don't have something in our portfolio that interests you our team will work with you to make sure you get a placement that you are happy and settled in.
